

**Hi LNPC! Here's your CHOOSE YOUR OWN ADVENTURE Financial Stewardship letter!
Begin at the beginning and follow the trail...**

When we support the life of LNPC with our money:

- we are investing in an intergenerational community of care,
- where we meet Jesus when we are with and for each other,
 - we deepen our faith, trust and hope,
 - and we practice living in God's way of love
 - in real and tangible ways.

**Thanks for being church together!
Here's to another great year.**
